Join us for one of our Open Days at Mzuri’s innovative and forward-thinking trial farm

Springfield Farms, Worcestershire

Find out more about our 5 step plan to profitable farming and latest topical issues including blackgrass control, soil preservation and safeguarding the future of British farming

The events will include a farm tour where you can see our rotation and latest crop trials, followed by lunch and a presentation.

Call 01905 841 123 to reserve your place on one of the following Open Days:
